MUR 6748

Re: Complaint against Representative Colleen Hanabusa

Dear Jeff:

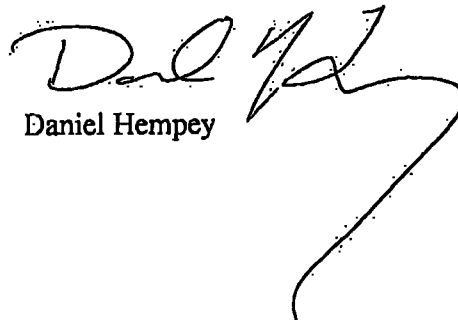

Thank you for following up regarding the Complaint against Representative Colleen Hanabusa that my office submitted to the Federal Election Commission in August of 2013.

As you pointed out, Footnote 1 on the second page of the Complaint was cut off and we inadvertently neglected to attach the email that we referred to within that Footnote. Footnote 1 should have read as follows:

PhRMA has already spent \$5.3 million on lobbying Congress in 2013.
See Murakami, Kery "Hanabusa and Schatz Differ Over Making Drug Companies pay." Honolulu Civil Beat (May 23, 2013)

Attached is a 6/28/13 email from Christopher Raymond that should have been attached to the Complaint.

If you require anything further, please do not hesitate to contact my office.

Daniel Hempey
